### DEPARTMENT OF COMMERCE BUREAU OF FISHERIES

## STATISTICS OF FISHING INDUSTRY OF ALASKA, SEASON OF 191.....

The company or individual receiving this blank is requested to supply the data called for herein and mail the statement to the Bureau of Fisheries, Washington, D. C. (in the franked envelope provided for the purpose), as soon as possible after the close of the fishing season. The law requires that reports of this character be forwarded not later than December 15, and that they "shall be sworn to by the superintendent, manager, or other person having knowledge of the facts, a separate blank form being used for each establishment in cases where more than one cannery, saltery, or other establishment is conducted by a person, company, or corporation." Attention is called to the fact that a heavy penalty is provided for failure to comply with the provisions of the law.

H. M. SMITH, U.S. Commissioner of Fisheries. Location of home office Location of plant. ## DETAILED REPORT OF SALMON FISHING OPERATIONS, BY LOCALITIES AND APPARATUS.

It is desired that this information be prepared with accuracy and detail, so far as the packers' records can by reasonab'e effort be made to furnish it. Different streams in the same bay or sound should be separately reported so far as the eatch can properly be credited to each. Catches not certainly referable to particular streams may be reported under the head of the bay, sound,

W.F.O'Connor. Winter P.O.Address Nenana, Alaska.

Summer P.O.Address Andreaofsky, Alaska.

Saltery situated on Kwikluak Channel about three miles above the entrance to Akularak Slough.

Mr. O'Connor's output was sold on the local market. During the heavy King run those he could not handle were sold to the Cannery. Three tons of dog salmon were put up.

Mr. O'Connor requests a permit for 1920 for 400 - 200 pound barrels,

but I consider it doubtful if he could ever fill this many.
